LETTER FROM THE STORE MANAGER

Exciting Changes to MacArthur Central Woolworths

Dear Customers,

We're making some exciting changes to your local woolies.

During the renovations, we may have moved some of your usual products – all to build an exciting new look store. If you're struggling to find anything during this time, the team and I are here to help.

As part of the renovation we will also be upgrading our Service Deli and installing a new Bakery section based on customer demand. Unfortunately, while we complete this upgrade, we will not be able to produce hot chips from Monday 02.09.19 to Thursday 19.09.19, however, we will have our full range of hot chickens and other hot foods available!

We'd love to keep you updated on what's happening and hear your feedback throughout our transformation – don't hesitate to reach out to the team, ask for me at the customer service desk or give me a call on 3648 4357.

Thank you for your support and we look forward to bringing you an exciting new store.
